CLERK: LB 5 introduced by Senator Warner. (Read title.) The bill was introduced on January 7, referred directly to General File.

SENATOR KRISTENSEN: Thank you, Mr. Clerk. Senator Baack for opening on LB 5.

And all of those terminated on December 31, 1989, and since that date has passed we need to repeal these sections. If anyone is interested in looking what sections we repealed, I do have a copy of all of those so they can look at those if they would like. But, with that, I would just urge you adopt...to move LB 6...LB 5, excuse me.
